OFFICE OF LEGISLATIVE COUNSEL

Tuesday - 23 August 1960

1. (Unclassified - GLC) Jack Wooley, a member of Congressman Bob Wilson's staff presently working at the Nixon Headquarters, called to ask whether a field employee could be granted a leave of absence in order to do some work in connection with the political campaign. He was advised that a leave of absence could not be granted in such an instance. A person wishing to engage in political activity must resign from the Agency and reapply for employment when such work is terminated. Wooley thought this would be the case but merely wanted to check and he did not disclose the name of the person involved.

2. (Unclassified - GLC) Ken Belieu, Staff Director of the Senate Space Committee, called to request a personal briefing on the recent Russian space shot involving the recovery of the two dogs. Arrangements are being made for a briefing tomorrow. Belieu also asked what salary arrangements have been made for [redacted] indicating that he had been queried on this by [redacted]

3. (Unclassified - GLC) Talked with [redacted] about an amendment to S. 2652, the Omnibus internal security amendments, to provide for an extension of the jurisdiction of the espionage act to include offenses committed abroad. [redacted] has discussed our blind memorandum on this subject with Jay Sourwine. They plan to have a bill introduced which will contain language along the lines of our suggestion so that it may be used as an amendment to S. 2652 if that bill comes up on the Senate calendar.
